

Developing a conversational lifestyle (ASK / tell / listen)

ACCESS: He is here (with you) AND there (with 'them'). He is near and attentive. Tell Him about it! Keep in touch! Ask His advice and purposes.

Keep an ear open! Discover and train the inner quiet and attentive place.

Matt. 6 v 8-10: What does He know we need? Our asking is as agents of His will.

God has regard for the 'small' things

Little prayers matter.

Simple, persistent prayers work.

Everyone's prayers count.

Matt. 6 v 5-8: Not showy or for publicity. Not repetitious or superstitious.

Developing confidence for specifics

Start small and risky i.e. in the family where the challenges are high.

Daily cares that rob us of peace are a priority to get ourselves sorted about.

Matt. 6 v 11-12: Asking is better than whingeing. Remember His faithfulness.

Unforgiveness hits the 'mute' button!

The 'might be' and the 'not yet' (seek). The now (knock)

SEEK for 1) Things we're not yet sure about. 2) Things we feel confidence about but uncertain of the timing. We are 'in it' for the duration - endurance and persistence.

KNOCK: Developing sensitivity for the 'Now' time when tomorrow is too late.

The shift to a redemptive mindset

Graduate from personal concerns. Move up and out to the needs of others and the world - into God-like / 'cross'-like / redemptive thinking. This is **intercession**.

Matt. 6 v 13: Pray for national peace and righteousness not persecution.
