

PRAYER

(From Jules Hodge talk, 'Help! My dreams have been shattered')

Lord, I invite you to stay with me, to open my eyes, to let me hear your voice afresh in my finances, relationships, health, employment, studies and area of service.

I choose to let go of the reins and the 'if onlys...', and surrender my hopes and dreams so that you can even say, 'No' or 'Not yet'.

Like (the Apostle) Paul, I want to learn to be really content with what's happening in my life at this moment in time, and so, as I surrender myself to you, I simply ask that I will experience that profound and satisfying peace that passes all understanding, just as you have promised.

Amen.
